This booklet summarizes benefits of the Group Special Medicfill Health Care Plan that helps fill many of the gaps in Medicare coverage. For your convenience, technical terms have been defined in the Definitions section at the back of the booklet.

This booklet is not a contract. It is designed to provide a summary of benefits for easy reference. The benefits and the terms and conditions of your Medicfill Health Care Plan are in an Account Contract on file with the Statewide Benefits Office, OMB. The Account Contract is the final determination of the benefits and rules of your plan.

This booklet describes the Medicfill Health Care Plan in effect as of July 1, 2007 and replaces all previous booklets.

Benefits for human organ transplants are available only when Medicare pays for an organ transplant.

Benefits Available

Subject to all the terms and conditions of this benefit plan, when a human organ transplant is medically necessary, the following benefits are available for that transplant:

- If Medicare covers these services, covered Hospital and Surgical-Medical services as specified under this benefit plan. Benefits are payable on the same basis and at the same level as other similar benefits under this benefit plan.

All Social Security offices, and most doctors' offices, have copies of this form. Instructions on how to fill it out are on the back of the form.

When Medicare has paid for the services of doctors and suppliers that are covered by your medical insurance, you will receive an Explanation of Benefits notice explaining what coverage has been provided.

If you receive surgical-medical care outside of Delaware, supply the doctor or provider with your Blue Cross Blue Shield Identification Number. The doctor or provider will submit the claim to Medicare in the area where you receive care. Payment will be made to the provider of services.

IMPORTANT NOTE

PLEASE READ A GUIDE TO HEALTH INSURANCE FOR PEOPLE WITH MEDICARE, PROVIDED BY THE FEDERAL GOVERNMENT’S CENTERS FOR MEDICARE & MEDICAID SERVICES (CMS) TO FIND OUT WHAT BENEFITS YOU CAN RECEIVE FROM THE MEDICARE PROGRAM.
COORDINATION OF BENEFITS

We reserve the right to coordinate available benefits for you so that duplication of payment of the same benefits will not occur and so that all parties having responsibility for payment for covered services perform in accordance with their benefit plan obligations. If you are entitled to benefits under any other plan as defined herein, to which you are a party or beneficiary, the amount of benefits payable under this plan and any other plan will be coordinated so that the aggregate amount paid will not exceed one hundred percent of the Allowable Expenses.

DEFINITIONS

For the purpose of interpretation of this provision, the following definitions will apply:

Allowable Expenses means a necessary, reasonable and customary health care expense when the expense is covered at least in part by one or more health benefit plans covering the individual for whom the claim is made.

Coordination of Benefits Provision means any provision of any plan that establishes the order in which plans pay benefits when an individual is insured under two or more plans.

Other Plan means any arrangement providing health care benefits or services, including but not limited to benefits or services through:

- Any form of health or other insurance, including nonprofit health service, or any other form of prepayment of insurance coverage including individual, group, blanket, franchise, fraternal, no-fault insurance or personal injury protection coverage;
- Any health maintenance organization or similar coverage;
- Coverage under any labor management trusteed plan, union welfare plan, or employee benefit organization plan;
- Coverage under any governmental or tax supported program; or
- Coverage required by statute to be offered to or procured potentially by you whether or not you have the option of declining such coverage or of purchasing such coverage subject to mandatory or optional deductibles, including but not limited to personal injury protection coverage, no-fault coverage or similar provisions of state or other statutes.

Primary Plan means the plan under which benefits are determined before those of the other plan and without considering the other plan's benefits.

Secondary Plan means the plan under which benefits are determined after those of the other plan. Benefits under a secondary plan may be reduced because of the other plan's benefits.

ORDER OF BENEFITS DETERMINATION

The primary and secondary plan responsibility is determined according to the following rules as they apply to your Medicfill health care plan:

- A plan with no provision for coordination of benefits is primary over a plan that contains such provision.
- A plan that covers you as an employee is primary over a plan that covers you as a dependent.
A plan that covers you as an active employee (or as that employee's dependent) is primary over a plan that covers you as a laid off or retired employee (or that employee's dependent).

If two or more plans cover a dependent child of parents not divorced or separated, the plan of the parent whose birthday occurs earlier in the calendar year is primary. If both parents have the same birthday, the plan that covered one parent longer is primary.

If the other plan's Coordination of Benefits provision determines primary or secondary plan responsibility based upon the parent's gender rather than upon the parent's birthday, the gender rule will control. As a result, the plan covering the dependent child of the male parent will be primary.

If two or more plans cover a dependent child of divorced or separated parents, benefits for the child are determined in the following order:
- First, the plan of the parent with custody of the child;
- Then, the plan of the spouse of the parent with the custody of the child; and
- Finally, the plan of the parent not having custody of the child.

However, if the specific terms of a court decree state that one of the parents is responsible for the health care expenses of the child, and the organization providing benefits has actual knowledge of the decree, the plan of that parent is primary.

If the above rules do not establish which plan is primary, the plan that has covered the individual for the longer time period is primary.

When there are two or more secondary plans, this order of benefit determination will be repeated until this plan's responsibility for benefits has been determined.

EFFECT ON BENEFITS

- When this plan is primary, the benefits of the secondary plan will be ignored for the purpose of determining the benefits under this plan.

- When this plan is secondary, we will coordinate payments with those of the other plan(s) so that payments made by both (or all) plans will not exceed Allowable Expenses for covered services. In no event will we pay more than would have been paid had there been no other plan.

RIGHT TO RECEIVE AND RELEASE NECESSARY INFORMATION

To determine the applicability of and to implement the terms of this provision, we may release to or obtain from any organization or individual any information deemed necessary.

You, personally, are obligated to provide information necessary to implement this provision. If you refuse to cooperate with us in providing necessary information or in securing payment, then coverage under this plan for that incident is null and void and we may, at our discretion, terminate the plan and take any other action necessary to protect our rights hereunder.

FACILITY OF PAYMENT

When this plan is determined to be primary but payment was made under another plan, we have the right to reimburse the organization making such payments the amount that we determine is our liability in accordance with this provision. By making such payment, we will have satisfied the obligation under this plan.
RIGHT OF RECOVERY

When we make payments that exceed the maximum amount of covered benefits that we must pay under the coordination of benefits rules, we have the right to recover the excess from any one of the following:

- Any person to or for whom such payments were made;
- Any insurance companies;
- Other organizations; or
- You.
WHO IS ELIGIBLE

This Health Care Plan is made available through the State of Delaware who elected to provide Medicare supplementary coverage for:

- Retired employees and their spouses
- Disabled employees, spouses and dependent children
- Employees, spouses and dependent children who have permanent kidney failure.

You must be enrolled in Part A and Part B of the Medicare program. You must also continue to be covered under both Part A and Part B to keep coverage in this plan.

WHEN YOUR COVERAGE ENDS

DEATH

Coverage for your surviving spouse and any eligible dependents ends as of the last day of the month of your death.

LOSS OF BENEFITS

You can lose coverage under this plan if you do not retain coverage under both Part A and Part B of Medicare.

Also, persons under 65 can lose their Medicare eligibility by losing their Social Security disability classification. This occurs when the disabled or blind person becomes gainfully employed or, in the case of the dialysis patient, three years after a successful kidney transplant or one year after termination of dialysis.

Contact your Pension Office for information regarding other coverage that may be available.

STATE DROPS COVERAGE

Your coverage (and your dependents coverage) ends on the date on which the State's contract with us for the provision of benefits ends.

BENEFITS AFTER YOUR COVERAGE ENDS

If you are an inpatient in a hospital, skilled nursing facility or specialized care facility on the date your coverage terminates because your employer dropped coverage with us, we will continue to provide the benefits described in this booklet for the facility and professional charges related to that admission for up to 10 days after the coverage termination date or until the day you are discharged from the hospital, skilled nursing facility or specialized care facility, whichever occurs first.

If you lose coverage for any reason other than because your employer dropped coverage, all health care benefits under this health care plan terminate on the date your group coverage terminates.
IF GROUP COVERAGE ENDS

If your group coverage ends, you may apply directly to us for conversion to a contract under which you are billed personally (a ‘direct-billed’ contract) at the then current premium rate. You must apply within 31 days after your coverage under the group contract ends. You have this conversion right if:

- You have left your employer; or
- You are the ex-spouse of an employee; or
- You are the surviving spouse of a deceased employee; or
- You no longer meet the dependent child requirements on age, marital status, or financial support.

The direct-billed contract offered may provide fewer benefits and/or a lower benefit payment level than what you were eligible to receive under group coverage.

If another health insurance program is available where you are employed or in an organization with which you are affiliated, you and/or your dependents are not entitled to a group conversion direct-billed contract under this provision, regardless of whether the other health insurance program contains a preexisting condition limitation or the application is denied.
GENERAL CONDITIONS

MEDICARE AMENDMENTS

If there are changes to the Medicare Law or any other applicable law that either increase or decrease the amount of benefits or provide services not previously covered, benefits under this plan will be adjusted accordingly. We may adjust your premium at renewal time or at any other time required or permitted by applicable law to reflect these adjustments.

RELEASING NECESSARY INFORMATION

Hospitals, doctors, pharmacies and other providers have information we need to determine your eligibility for both enrollment and benefits under this plan. By applying for coverage you agree to let any doctor, hospital, pharmacy or provider give us and our agents all the medical information we may need. This may include the diagnosis and history of any illness, disease, condition or symptom you have had, or for which coverage is sought; or other information. We will keep this information confidential to the extent permitted by law. However, by applying for coverage you authorize us to furnish any and all records including complete diagnosis and medical information to an appropriate medical review board, utilization review board, utilization review organization and/or to any other insurance carrier or administrator or health maintenance organization for purposes of administration of this health benefits plan. If such information relates to fraud or other misrepresentation, we may disclose it to legal authorities or use it in legal proceedings. We reserve the right to charge a fee for the reproduction of claims records requested from us.

TIME LIMITS

Requests for benefits must be received by us within 2 years from the date you received the service.

DENIAL OF LIABILITY

We are not responsible for the quality of care received from any institution or individual. Your coverage does not give you any claim, right or cause of action against us based on an act of omission or commission of a hospital, nursing home, doctor or other provider of care or service.

RECEIPT OF BENEFITS

In order for you to receive benefits, you must identify yourself as our customer as soon as possible. When you receive services, you must show the current membership card.

DUPLICATE COVERAGE

If you have two or more benefit plans through Blue Cross Blue Shield corporations, benefits will be coordinated.

PAYMENT OF BENEFITS

If your doctor accepts Medicare assignment, payment will be made directly to the doctor. He/she cannot bill you for any balance over the Medicare reasonable charge. However, if your doctor does not accept Medicare assignment and you have not assigned benefits under this plan to your doctor in accordance with Medicare program requirements, payment will be made directly to you.
and you may be responsible for any balance remaining. If you have assigned benefits under this plan to your doctor according to Medicare guidelines, we will pay benefits under this plan directly to your doctor, as required. In all other cases where benefits are payable to you, such payments shall not be assignable without our written approval.

**SUBROGATION AND RIGHT OF REIMBURSEMENT:**

When we pay a claim, we are subrogated to all rights you have against any third party. A third party includes, but is not limited to, another person, legal entity (such as a corporation or self-insured plan), or insurer (providing uninsured or underinsured automobile coverage, other automobile coverage, workers compensation, malpractice, or other liability coverage). We will have the sole right to interpret all rights and duties created by this section.

Some examples of BCBSD’s rights include:

- **Constructive trust.** Accepting benefits from BCBSD makes you and your agents a constructive trustee of any funds recovered from any third party. This constructive trust will continue until BCBSD receives payment. Failure to pay funds to BCBSD will be considered a breach of your duty to the health care plan. No settlement can be made without BCBSD’s written permission.

- **Subrogation lien.** Accepting benefits from BCBSD will result in an automatic lien by BCBSD against any recovery from any third party. This means BCBSD has the right to first dollar recovery of those funds, whether or not those funds make you whole. First dollar means that BCBSD has first priority to recover from any and all payments made by the third party. Recovery means any judgment, settlement or other obligation to pay money. BCBSD is entitled to recovery from any party possessing the funds.

- **Recovery from a third party.** BCBSD is entitled to be paid from any recovery, no matter how the recovery is categorized. Some examples include recovery for lost wages only or pain and suffering only. You will be responsible for any attorney’s fee and costs of litigation.

Some examples of your responsibilities include:

- **Notifying BCBSD.** If you are involved in an accident or incident that results in both BCBSD paying a claim and you having a claim against any third party, you must notify BCBSD in writing within 30 days.

- **Cooperating with BCBSD.** You are required to cooperate with BCBSD and assist in the recovery from the third party.

**LEGAL ACTION**

No legal action may be brought against us for failure to provide benefits under this plan unless brought within 3 years from the date the service in question was rendered.

**CANCELLATION FOR MISREPRESENTATION, FRAUD OR OTHER INTENTIONAL ACTS**

We may cancel this plan at any time if we learn:

- That the statements you made at the time you applied for coverage were untrue or incomplete; or
That you received or attempted to receive benefits under this plan under circumstances indicating fraud or other intentional misconduct; or

You assisted another person as specified above.
HOW BCBSD PROTECTS YOUR CONFIDENTIAL INFORMATION

It is necessary for BCBSD to receive information about you and your health to properly administer your plan benefits. This information is called "Personal Identifiable Health Information" and includes items such as your

- provider's name,
- tests that were done,
- diagnosis, or
- costs of treatment.

The following explains how BCBSD protects the confidentiality of your Personal Identifiable Health Information.

YOUR RIGHT TO CONSENT OR DENY RELEASE OF INFORMATION

By enrolling with BCBSD, you agree that we can receive information from your providers about care that you received. You also permit BCBSD to release your Personal Identifiable Health Information to business associates outside BCBSD, such as

- organizations that process claims,
- people who help coordinate services, or
- auditors.

We may need to release your Personal Identifiable Health Information to:

- process and pay claims,
- coordinate benefits when you're covered under another health plan,
- monitor care,
- help manage a chronic illness, such as diabetes or congestive heart failure,
- measure satisfaction through customer surveys, or
- conduct studies to measure our performance and our providers' performance.

In situations other than our routine business practice, BCBSD will only release Personal Identifiable Health Information if you sign the Notice of Specific Consent form. The form will contain information such as what is being released, who is getting the information and why the information is needed.

WITHDRAWING CONSENT

If you signed a Notice of Specific Consent form, you may withdraw that consent by calling or writing BCBSD's Customer Service Department. When you call, please specify which information indicated on the Notice of Specific Consent form you don't want released. However, if you withdraw that consent, the withdrawal will not affect any Personal Identifiable Health Information that BCBSD has already released based on your signing the Notice of Specific Consent form.

SHARING YOUR INFORMATION WITH YOUR EMPLOYER

At times it may be necessary for BCBSD to provide your employer with information such as

- medical cost experience
- claims volume
- cost savings.
This information helps your employer and BCBSD to determine future premium rates. This information is also used to monitor BCBSD's performance.

We do not release your Personal Identifiable Health Information to your employer without your signing a Notice of Specific Consent form, unless we are required to do so by law. The consent form will contain information such as what is being released, who is getting the information and why the information is needed.

**YOUR RIGHT TO ACCESS MEDICAL RECORDS**

You have the right to access the medical records that were originated by BCBSD. Some examples of such records are the *Explanation of Benefits* and authorization of service forms. You can request your records by either writing or calling BCBSD's Customer Service Department.

**HOW BCBSD PROTECTS YOUR PRIVACY**

All BCBSD Employees are required to sign confidentiality statements when they're hired. Employees are then trained to follow certain guidelines to protect your confidential information. However, employees need to discuss your information with other employees when performing routine business practices, such as when they

- process claims,
- resolve disputes,
- answer inquiries, or
- coordinate care or benefits.

Much of your Personal Identifiable Health Information is on our computer network. Our employees are granted access to the network only on a need-to-know basis. BCBSD's management determines the level of access that employees need to perform their job. Our systems are password protected. Passwords are periodically changed to prevent unauthorized access.

BCBSD also requires that your providers follow confidentiality policies. We periodically audit providers to ensure that your medical records are kept private and that their staff has received confidentiality training.

**USE OF MEASUREMENT DATA**

We conduct surveys and health studies to measure customer satisfaction to help us improve our services. Health studies help us measure our performance and our providers' performance. Information collected during these studies is reported for the entire group rather than for one person. Your Personal Identifiable Health Information is not identified.

BCBSD sometimes uses outside agencies to conduct surveys and studies. BCBSD requires these agencies to sign a confidentiality agreement and to train their employees about confidentiality.

**COMPLAINTS AND QUESTIONS**

You have the right to file a complaint with us at anytime you feel that we have not maintained your privacy. You also have the right to ask questions about our confidential policy. To do either, please call BCBSD's Customer Service Department at:

Local Calls: 429-0260
