Disabling Pop Up Blockers/ Turning Off Pop Up Blockers for PC's

> ⚠️ **NOTE: We do not recommend permanently turning off your blocker.**
>
> Doing so can leave you vulnerable to malicious programs. So either disable the blocker temporarily or add favorite websites to your browser's safe list, so pop-ups will always appear.
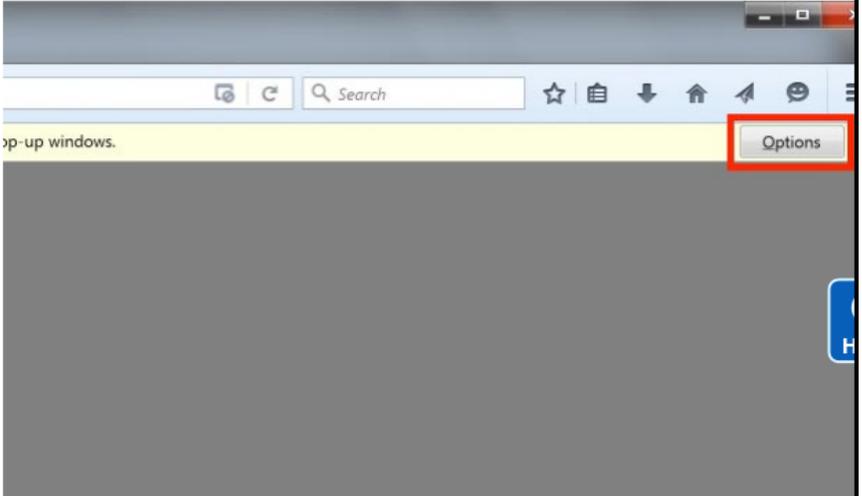

Firefox for PC

# How to Disable a Pop-Up Blocker: Firefox for PC

Disable a Pop-Up Blocker on a Web Page

If a Web page tries to send you a pop-up when your blocker is turned on, an information bar will appear at the top of your browser window.
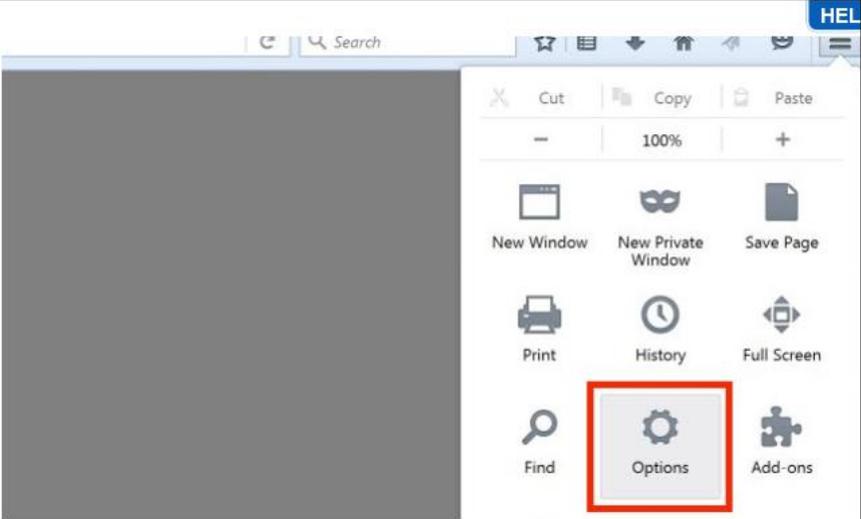

Clicking the **Options** button within the information bar will allow you to:

- Allow pop-ups from this site
- Edit your pop-up blocker options
- Never show an information bar when pop-ups are blocked
- Display the blocked pop-up window

Disable a Pop-Up Blocker Within Firefox Settings

1. Open Firefox.

2. Click the Firefox menu in the upper right.

3. Click **Options** in the drop-down menu.

4. In the left-hand navigation, click **Content**.

5. Under **Pop-ups** uncheck **Block pop-up windows**.
