

## Disabling Pop Up Blockers/ Turning Off Pop Up Blockers for ANDROID

**NOTE: We do not recommend permanently turning off your blocker.**

Doing so can leave you vulnerable to malicious programs. So either disable the blocker temporarily or add favorite websites to your browser's safe list, so pop-ups will always appear.

### GOOGLE CHROME on Android

Method  
3

#### Google Chrome on Android

- 1** Open Google Chrome. Tap the Chrome app icon, which resembles a green, yellow, blue, and red sphere.
- 2** Tap . It's in the top-right corner of the screen. Tapping it prompts a drop-down menu.
- 3** Tap . This option is at the bottom of the drop-down menu.
- 4** Tap . You'll find it near the bottom of the screen.
- 5** Tap . This option is near the middle of the screen. Doing so opens the Pop-Ups page.
- 6** Tap the grey "Pop-ups" switch . It will turn blue . This will allow pop-ups in your Google Chrome browser.
  - If the "Pop-ups" switch is already blue, pop-ups are enabled.
