Disabling Pop Up Blockers/ Turning Off Pop Up Blockers for IPAD, IPOD Touch or Iphone

⚠ **NOTE: We do not recommend permanently turning off your blocker.**

Doing so can leave you vulnerable to malicious programs.So either disable the blocker temporarily or add favorite websites to your browser's safe list, so pop-ups will always appear.

GOOGLE CHROME on Ipad, Iphone or Ipod Touch

Block Pop-ups on iOS (iPad, iPhone, iPod touch)

The Safari pop-up blocker can be turned on and off on an iOS device too:

1. From the home screen, open the **Settings** app.

2. Scroll down the list and tap the **Safari** option.

3. In that new list, find the *GENERAL* section.

4. In that section is an option called **Block Pop-ups**. Tap the button to the right to toggle the option on. It will turn green to indicate that Safari is blocking pop-ups.
