

Disabling Pop Up Blockers/ Turning Off Pop Up Blockers for PC's

NOTE: We do not recommend permanently turning off your blocker.

Doing so can leave you vulnerable to malicious programs. So either disable the blocker temporarily or add favorite websites to your browser's safe list, so pop-ups will always appear.

CHROME for PC

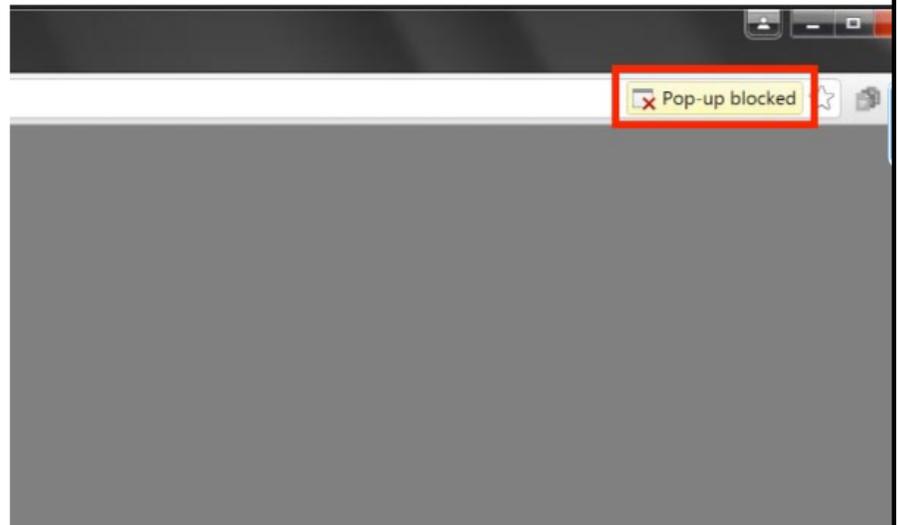

How to Disable a Pop-Up Blocker: Chrome for PC

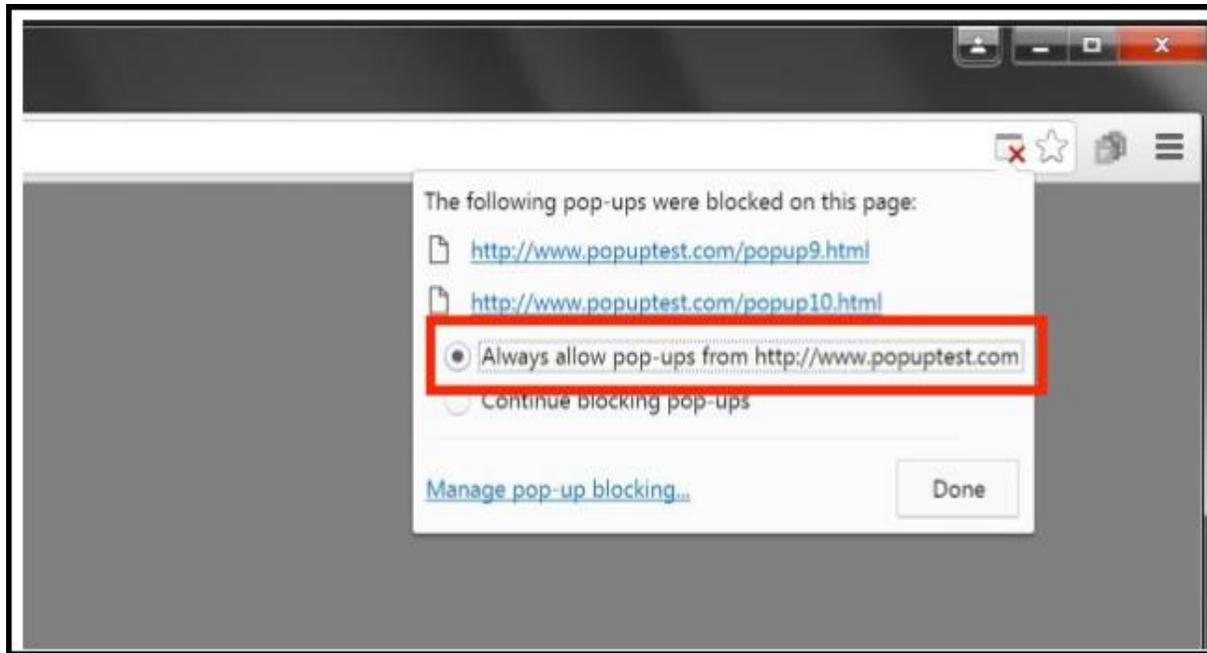

Disable a Pop-Up Blocker on a Web Page

If a Web page tries to send you a pop-up when your blocker is turned on, an icon with a red "x" will appear in your address bar.

Clicking the icon will allow you to:

- Always allow pop-ups from this site
- Continue blocking pop-ups
- Manage pop-up blocking

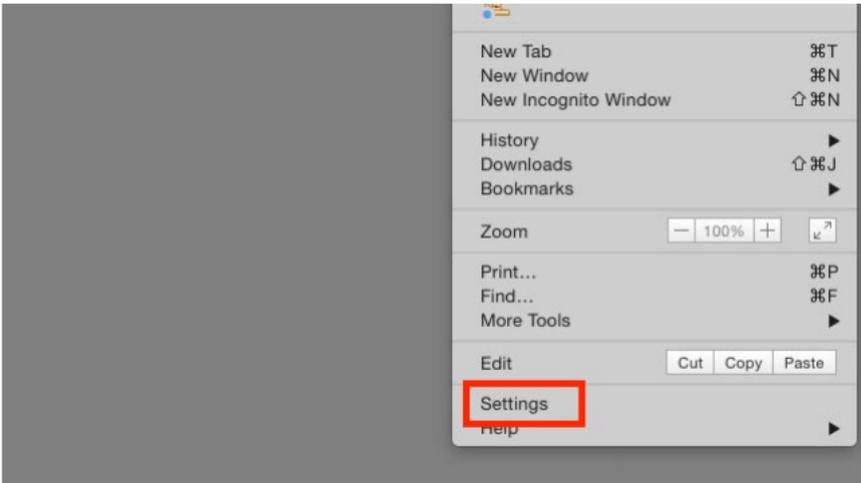

Disable a Pop-Up Blocker Within Chrome Settings

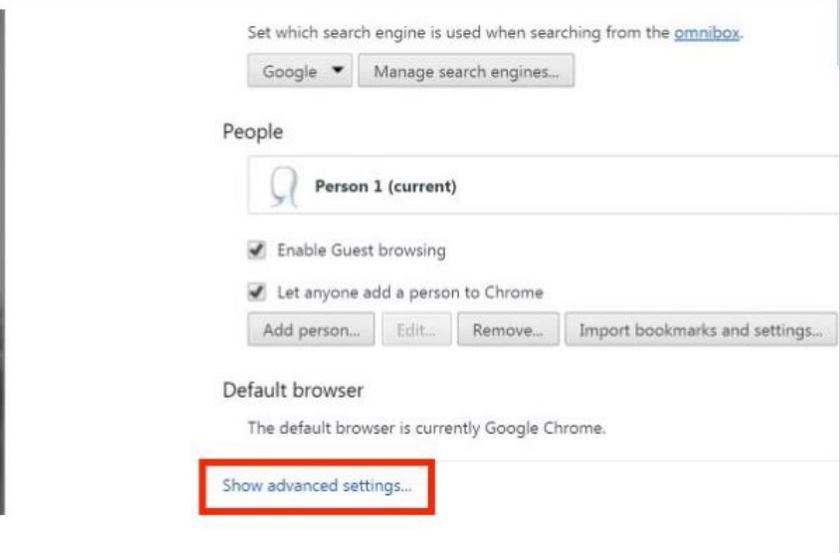

1. Open Chrome.
2. Click the Chrome menu in the upper right corner.

A screenshot of a Chrome browser window. The window title is "Emily". In the top right corner, there is a "HELP" button, a star icon, and a menu icon (three horizontal lines). The menu icon is highlighted with a red box. The main content area of the browser is greyed out.

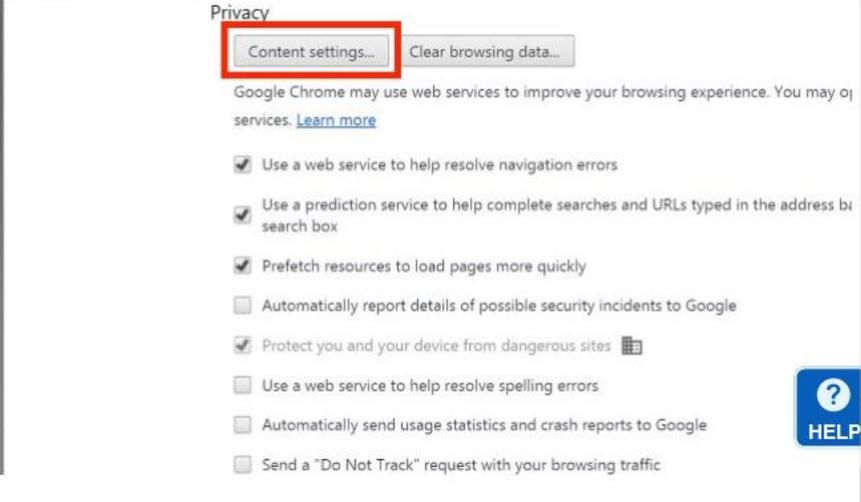

3. Click **Settings** in the drop-down menu.

4. At the bottom of the page, click **Show advanced settings...**

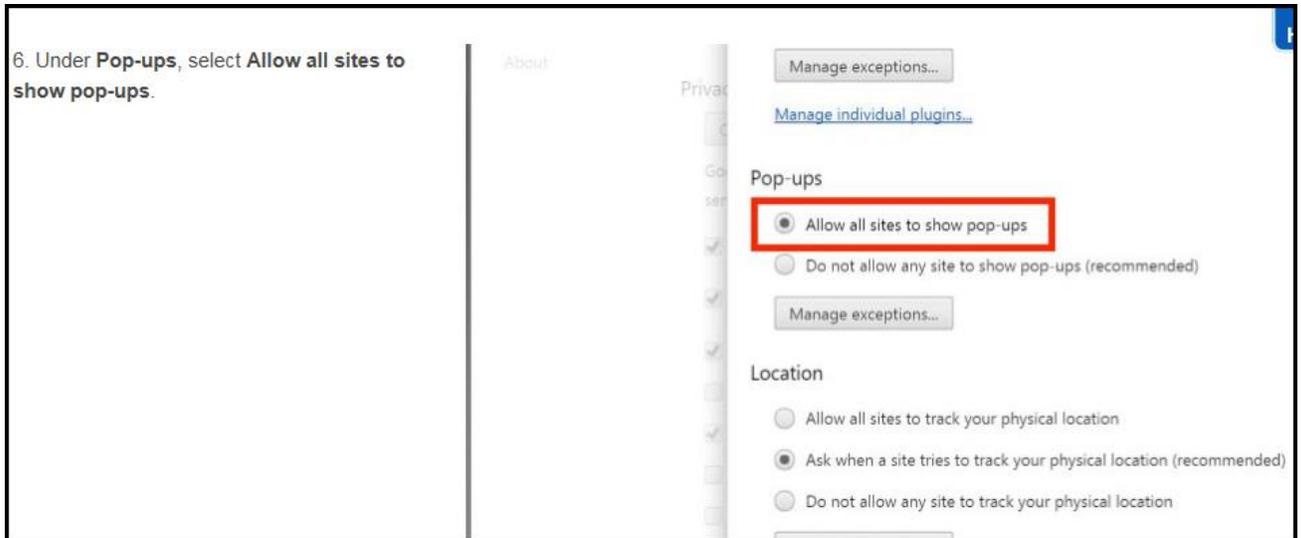

5. Under **Privacy**, click **Content settings...**

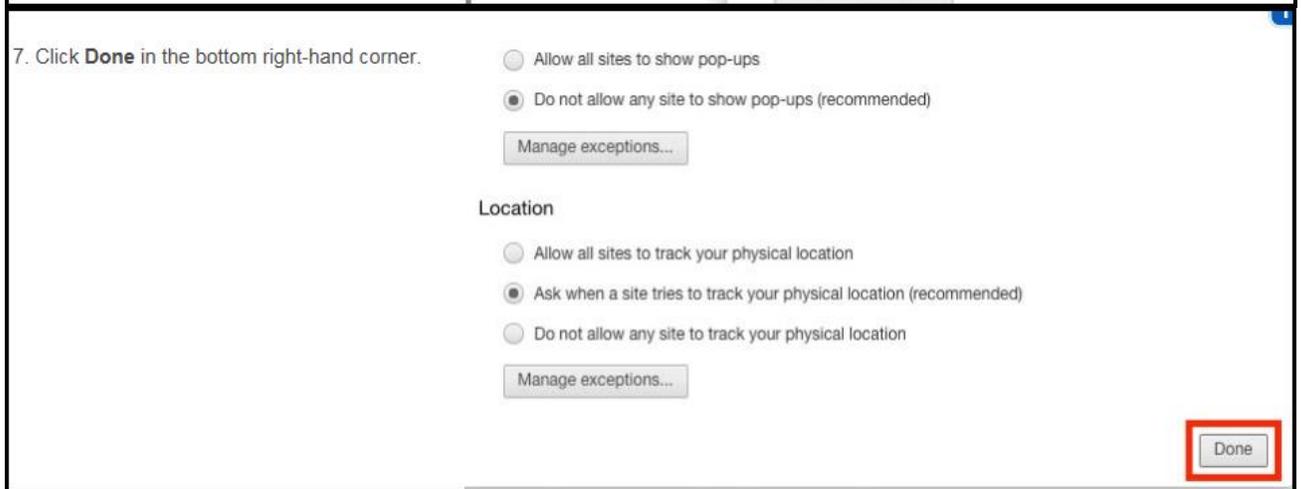

The image contains three sequential screenshots of a browser's settings interface. The first screenshot shows the main menu with 'Settings' highlighted. The second screenshot shows the 'People' section with 'Show advanced settings...' highlighted. The third screenshot shows the 'Privacy' section with 'Content settings...' highlighted.

6. Under **Pop-ups**, select **Allow all sites to show pop-ups**.

7. Click **Done** in the bottom right-hand corner.

The image shows two screenshots of a web browser's settings page. The first screenshot shows the 'Pop-ups' section with the 'Allow all sites to show pop-ups' option selected and highlighted by a red box. The second screenshot shows the same settings page with the 'Do not allow any site to show pop-ups (recommended)' option selected. In this second screenshot, the 'Done' button in the bottom right corner is highlighted by a red box.
